We are now living at: Fema Trailer

Address: [redacted] Wood St.

City Waveland State Ms Zipcode 39576

Phone No. [redacted]

Our family consists of:

My husband "Jimmy [redacted]" 58yrs. + myself "Sandra [redacted] 55yrs.
We had a family of 4 sons, whom are all married and live in Waveland, and also lost everything and we're all trying to recover.

Our Katrina experience was:

devastating, Never thought there would be so much damage. We lost everything we had. Also it was 35yrs. of all our ~~memories~~ pictures and treasures of raising 4 sons in our little Home of love. We evacuated to Tallahasse, Florida and we came back to Waveland, the day after the storm. We got to Hwy 90 + Waveland Ave. and Couldn't believe my eyes. I was born and raised here and I was scarred it looked like a totally different place. (over)

Write something special that you would like Santa to bring you or your family:

Since we lost everything, We would appreciate whatever we can get. My biggest wish is to see my Mom who is 75yrs. old and my Dad, 85yrs old, get to rebuild their home of 50yrs. My Dad has been in and out of the hospital they had him under antisetic and he was saying I want to go home, My Home, and watch wrestling. That is what's upsetting, and don't know if they will get to rebuild. Anything would be greatly appreciated!!

Please use back or another sheet of paper, if you want to write more. We want to hear your story!

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

We couldn't get to our home that day. It's South of the Railroad tracks. When we saw all the damage that my sons had to their homes I didn't thing we had a home. But we did have the walls standing. All the ceilings fell down the insulation was all down and everything mixed in Mud. It was unreal. Nothing was salvageable. We didn't have flood insurance, because we were not in a flood Zone. My Mom's house was washed out in the Street. All of our old family homes were destroyed. 3 homes were right next door to one another. Those homes survived the 47 Harricane, Betsy, Camille but Katrina took them all.
